COMMUNITY INVOLVEMENT

The Catholic Campus Ministry is asking for help in creating humor carts which would be used at St. Vincent’s Hospital. These carts will be used to brighten up the day for patients. Donations of items, such as the following, would be greatly appreciated:

1. Movies for adults or children, such as Laurel and Hardy, Bob Hope, 3 Stooges, cartoons, comedy, etc.
2. Humor props: funny noses, masks, funny glasses, whoopee cushions, magic wands, rubber chickens, bubbles, funny face balls, etc.
3. Audiottapes, stories, music, etc.
4. Books: humorous, light-hearted, jokes, comics, etc.
5. Puppets, magic tricks, games, puzzles

If you would like to donate items, please contact Mary at 657-2276 for pick-up, or drop it by the Catholic Campus Ministry office, room #201 SUB by Wednesday, Dec. 3rd.

Adopt a Client is this year’s service for the annual AIDS Awareness Week, which begins December 1st. All student and academic departments have the opportunity to adopt one local client, for whom they can create a care package with basic supplies such as packaged food, basic needs, and/or items requested by that client. As an organization, the GSA may take part in this opportunity.

Information from the last two year’s projects which helped orphans in Uganda will be displayed in the SUB during this week.

BUDGET RENEWAL

We began discussing the budget proposal for 2004-2005 which is due shortly. The discussion will continue within the next couple of weeks.

COLLOQUIUM

The colloquium on October 29th was a wonderful experience in getting to know some of the faculty. Dr. Doxey Hatch, his wife Reverend Meg, Dr. Russell Lord, his wife Denece, (teacher), Dr. Johanna Hadden, and her husband Glade (archaeologist for BLM), were the panelists. They shared their life career experiences and advice and encouragement with all of us: very enlightening, helpful, and entertaining! Dr. Tony Hecimovic was our brave moderator (he didn’t have to break up too many fights). Attendance was not at its best, due to busy schedules and the Gazette not printing our announcement. But those of us who were there had a great time.
GOVERNORS FORUM

The Governor’s Forum is November 12th. Our own Noelle Clark will attend. If you have any comments or questions, contact her at nclark@msubillings.edu.

MEETING WITH DR. DEAN WHITE

This Thursday, November 6th, don’t miss it! We will have the opportunity to discuss Graduate Assistantships and the Vision of Graduate Studies with the head of our school.

DINNER AND A MOVIE

Sub sandwiches were served a-la-carte! Heather won the movie. Next week: TACO SOUP! We’re moving up in the world.

Meeting ended at 6:00
