All members are welcome to attend to show support for the 2004-2005 budget, which includes increases to support our growing attendance and to send representatives to a national convention in the Fall. A pre-meeting time will be announced at a later date.

GRADUATE COMMITTEE UPDATE
Noelle and Brenda gave an update on the discussions of the MSU Graduate Committee. The committee is still tossing around ideas about the policies for graduate probation in the upcoming catalog. The committee is very thankful for the student input from the GSA which was given to them by Stauna Mandic. Updates on the new policy will be in future minutes.

COLLOQUIUM ON NO CHILD LEFT BEHIND:
The colloquium will focus on the implications and impact of NCLB on teachers, students, and parents. It will take place on February 24th, from 7-9PM in CEHS 427. An attachment will be emailed to you with the names of the panelists. It is very exciting-hope to see you all there!

DINNER:
We enjoyed sandwiches before class, once again. Hope to see you all there for roll-ups next week!
