MEBERS IN ATTENDANCE
Brendan Hunscher, Jeanie Stukey, Chandra Porter, Noelle Clark, Kathryn Sorum, Kerensa Funk, Angela Jones, Russ Warchola, Henry Lemieux, Brenda Hatcher, and Sheri Olsen.

The meeting began at 5:00.

GSA 2004-2005 BUDGET
The bulk of the meeting consisted of a discussion of the budget proposal meeting on February 28th. Henry wrote a wonderful budget defense for the new budget. Awesome, Henry! Thank you! He read it to the members present and we discussed how we would present it to the Student Senate committee. We’re ready to rock!

GRADUATE COMMITTEE UPDATE
Brenda and Noelle gave an update on the Graduate Committee. The committee is finishing up the revisions for the next graduate catalog policies. The question was raised whether or not the required GPA for graduation from the School of Education should be 3.25. All members agreed that this would be more in line with other graduate departments and give this department more dignity. The requirement does not effect graduates whom already have an approved plan of study.

FOOD
The food service outdid themselves with the sandwich roll-ups this week!

The meeting ended at 6:00.
