Members Present: Toni Miller, Nikki Gunnels, Brenda Hatcher, Denise Rosman, and Cherié Mondragon.

Party: Ideas for a post-Valentine party on Feb. 26th, after the Service Saturday or the evening of that Saturday was discussed. Brenda mentioned the Doc & Eddy’s location and a location where alcohol wasn’t served was suggested.

Service Saturday: The date for the next Service Saturday will be Feb. 26th and the graduate association is hosting this service day for any other students and organizations on campus. Everyone will meet at the Fireplace Lounge in the SUB at 10:00 am. The YWCA doesn’t have a program for children, so Brenda will contact the YMCA to see if they would be interested in our group assisting with their children’s program. Denise, in addition, will contact the Women’s Shelter to see if our group could help with their program with children.

Fund Raising: Ideas for fund raising that are available on the internet include selling Alpaca sweaters, gloves, and hats and with this program, our group could earn $30/day or 15% of the profit. Nikki will look further into this and other means of fund raising with products advertised on the internet. Selling Pampered Chef products, using the catalog was also suggested for a fund raising method.

Colloquium: Brenda reminded all to start thinking about topics for our colloquium. It was brought up to have Cathy Kocher speak on IDEA, structured as a symposium. Ideal times for the colloquium included Tues, Wed., and Thurs. evenings.
