Members Present: Toni Hecimovich, Nikki Gunnels, Brenda Hatcher, Betty Kunda, Tamara Boggio and Cherié Mondragon.

Easter Egg Hunt: The Easter Egg Hunt was a success! Cherie’, Angela and Tara and her niece helped hide eggs and guide egg hunter during the festivities. The event started in the snow but by the time the hunt was over, the snow had disappeared—as well as 8,000 Easter eggs!

Officer Nominations: Petitions were distributed with the new officers and their positions for next year. President: Cherié Mondragon, V. President: Denise Rosman, and Secretary/Treasurer: Tamara Boggio. Some members are voting at the website. We need twenty-seven confirmed votes to declare these as our 2005-2006 officers.

Colloquium: Brenda mentioned that members and officers should be thinking about activities they would like to see happen during the remaining spring and summer sessions. Tamara suggested more input or discussion on IDEA for a future colloquium, as the subject seemed to be over whelmed with the “Highly Qualified Teacher” issues discussed at our last colloquium.

Fund Raisers: We discussed fund raisers for the coming year. Nikkie reviewed the Eileen’s Cookies and Pampered Chef possibilities, alluding to profit and time spent on the projects. This item will be addressed in following meetings.

Service Saturday: Interest in reading to children at the Women’s shelter was brought up as a Service Saturday project. This will be pursued in the fall.
