Meetings Minutes
Graduate Student Association
April 20, 2005

Members Present: Toni Hecimovic, Toni Miller, Denise Rosman, Brenda Hatcher, Alan Christensen and Cherié Mondragon.

Fund raisers: Denise brought up an idea to sell refreshments during an athletic event, organized by our group. A competitive game between faculty, graduate students, etc. could be arranged with a charge at the door for admission. Cherié passed around pictures of Yellowjacket Cookies, which are a product of Eileen’s Cookies, a vendor we are considering for a fund raiser.

Summer Party: We are considering a summer party for graduate students around the end of June or July. This could be a welcome back party to reacquaint or to introduce students to GSA and its activities. It was mentioned that we could include door prizes as a draw to encourage student attendance.
